

Mr. Powell, your lack of action taken against Sinclair Broadcasting, in their Purely partisan, anti- Kerry commercial, guised as news is extremely disconcerting. Have You forgotten the rules of the FCC? In fairness to John Kerry Sinclair should be forced to give equal time, such as airing Unconstitutinal. You were offended by Janet Jackson, and this blatant misuse of public television, barely gets a response, except that there will be no response. You should resign effective immediately, you are obviously not able to do your job without bias.
